

Greetings

Guten Tag, Mr. Manager!

When you are in a formal setting like an office, you'll want to say **guten Tag** and **auf Wiedersehen**. It's more polite than **hallo** and **bis bald**.

Shh! Listen up!

Lots of German words have a silent **h**. This silent **h** makes the vowel before it just a little bit longer.

eh

es ge**eh**t, auf Wieders**eh**en (as in "d**ay**")

oh

So**h**n (as in "z**o**ne")

Greetings
