

Weather

How's the weather?

Not that exciting! Germany has a pretty mild climate. If you want a hot getaway, you can join the Germans vacationing in Greece or Mallorca.

Wie ist das Wetter?

Like in English, use **es** to talk about the weather!

 Wie ist das Wetter?

How is the weather?

 Es ist warm.

It is warm.

Weather

happens can go at the beginning, the end, or right after the verb!

 **Heute ist** es warm.

It is warm today.

 Es **ist heute** kalt.

It is cold today.

 Es **ist** sonnig **heute**.

It is sunny today.

How's that?

In German, the word **wie** is used in some questions where we translate it as **what** in English!

 **Wie** ist das Wetter?

How is the weather?

 **Wie** heißen Sie?

What is your name?
