

Leisure

Wanderlust

It's an English loan word now, but originally in German, **Wanderlust** describes the joy of hiking and expresses a quintessential aspect of German culture.

Living in the present

In German you use the same verb form for things you do habitually and things you're doing right now.

 Ich **singe** oft.

I often sing.

 Ich **singe** jetzt.

I am singing now.

Leisure

Ich spiele Fußball.

I play soccer.

Ich spiele **gern** Fußball.

I like to play soccer.

Who wants to go jogging?
